Art of an Angel Note Cards

Jordan, born with Angelman Syndrome, enjoys "coloring". Uncharacteristic of children with AS, she can sit for long periods of time filling pages and pages with random scribbling. Mom, inspired by her intensity at work, realized

that she could bring her drawings to life by adding some simple touches of her own... thus began "Art of an Angel"!

Love an Angel Foundation is now making available Art of an Angel note cards for purchase as a fundraiser. There are 2 different packs, each with six different drawings. Each card has Jordan's story on the back. A pack is \$15.00 with free shipping within the continental US.

You may order through our website www.LoveAnAngel.org or by mail. Please make checks payable to Love an Angel Foundation.
