March 2021

Volume X, Issue I

A Word from Our President and Our Executive Director

As the weather continues to cooperate for our workers and their schedules coordinate, Haines Electric, Shetler Excavating Inc. and 5 Star Exteriors are

ON THE MOVE AGAIN.

The new electric service has been run and installed in the Gathering Place Building from the street and the transformer pad prepared. The inside of the building should be graded and exterior grading should be complete adjacent to the building soon. The contractor is in contact with Trail Plumbing LTD and some miscellaneous “clean up” is necessary in order to pass the rough building inspection. We are looking into the HVAC (heating, ventilation and air conditioning).

The above-mentioned work needs installed prior to final interior work.

Thank you, Matthew & Patti

WESTERN HOEDOWN

COMING THIS FALL

“IN PERSON” fundraising event for
Ladies Only!

You may recall our “Hoedown” planned for last fall was cancelled due to the Coronavirus Pandemic. We were all ready to go, when we felt it best to postpone the event until “restrictions” would be lifted and the fun of the event could be fully experienced.

Date to be Announced, but we want to give you a “Heads Up”
