A Word from Our President

Progress Is Underway

We are thankful for the streak of good weather allowing our crews to continue with some projects and bring others to conclusion. The electric service is just about finished to the Gathering Place from the street. Ohio Edison has dropped off a pull box and pad for the transformer. As of this printing, Tank Pro is grading both inside and outside the building and are setting in the pull box and transformer pad. Ohio Edison is scheduling the installation of a new pole at the street. The grading is completed inside the building, the new electrical conduits are buried and gravel poured and leveled. The immediate areas around the building, including the patio and parking lot have also been graded and the stone installed. Haines Electric is working to get the electrical work coordinated with Ohio Edison, and as soon as OE completes the high voltage work, Haines will have the lights on in and around the building. Progress is being made...

Your President.....Matthew L. Weber, P.E.

Our Virtual Reverse Raffle

was a **BIG SUCCESS**

On Wednesday May 19, due to the questionable situation of the pandemic, the 2021 Annual "For the Love of an Angel" February fundraiser went **Facebook Live**.

While we missed seeing our Angels, visiting with our guests, sharing dinner and other fun activities in February, we still felt the need to connect with You, our supporters, and continue our fundraising efforts. As ticket numbers were drawn, names called and the corresponding number was removed from the Board, every fifth number received a prize valued at \$20 or more. Of the 110 tickets, 20% were prize winners.

Being Virtual and unable to offer the five way split, we provided increasingly valued prizes to the last five numbers drawn.

Our \$2,000 Grand Prize Reverse Raffle Winning number was # 41 Gary and Vicky Bologna. Thank you to the Bologna's for donating back half their winnings!

Thank you to the 3 Weber men who served as our MC, Keeper of the Ticket Barrel, and Keeper of the Reverse Raffle Board. They certainly kept the evening moving causing much fun and laughter during the One Hour Event. A special thanks to Amy Page and Susan Hagen who operated the video and the other volunteers who kept track of prize winners and other miscellaneous tasks.

We are pleased to announce that your support of this unprecedented event for LAAF netted over \$35,000.

Thank you!
